NITAAC | CIO·SP3
REIMAGINING ACQUISITIONS | SMALL BUSINESS IT SERVICES/SOLUTIONS

About CIO-SP3 Small Business

Chief Information Officer-Solutions and Partners 3 (CIO-SP3) Small Business (SB) is a best-in-class, 10-year Indefinite Delivery/Indefinite Quantity (IDIQ) contract offering federal agencies a streamlined way to procure information technology services from industry-leading IT providers. Any federal civilian or DoD agency may use this contract to fulfill a broad range of mission-critical IT requirements as diverse as Data Migration, Cloud Computing, Program Management, and Health IT. The CIO-SP3 SB contract is managed by the National Institutes of Health (NIH) Information Technology Acquisition and Assessment Center (NITAAC).

The NITAAC Customer Support Team offers live representatives (M-F, 8 am-6 pm), complimentary training, and a library of tools and templates to help facilitate acquisitions. The electronic Government Ordering System (e-GOS) offers fair opportunity and streamlined market research, includes applicable FAR clauses, removes the requirement for a formal evaluation plan/scoring, and allows federal staff the ability to set timelines for awards, meet small business goals by determining set-aside preferences and agency-specific terms and conditions.

Procurement Made Easy:

INTEGRITYOne Partners (IOP): CIO-SP3 Small Business

IOP is a small Business Transformation and IT Modernization firm supporting the Federal Government since 2001. For over 20 years, we have continually learned, unlearned, and re-learned the methodologies, tools, techniques, and client environments that keep federal organizations and their priorities running smoothly.

Our Services

INTEGRITYOne has earned three ISO certifications: ISO 9001:2015, ISO 20001-1:2018, and ISO 27001:2013 to demonstrate our commitment to quality, continuous improvement, service, and IT security. We offer a broad range of IT services aligned to the CIO-SP3 SB task areas and grounded in the following areas of expertise:
•Technology Modernization
•Enterprise Data Integration
•Analytics and AI
•Strategy & Operations

Our Federal Clients

Since 2001 INTEGRITYOne has created enduring relationships inside federal agencies – ones based on client success, the growth of our people, and the ongoing development of capabilities that drive mission performance. Our depth of mission experience includes 21 years at DHS and 15 years supporting DOJ and HHS. We bring our client's deep expertise in law enforcement, homeland security, immigration, compliance over food and product safety and financial management, and health IT.

Our singular focus on the needs of our clients and delivering services that modernize technology to enable mission-critical functions is crucial to our success. We do it all with an eye toward preserving the thing that brought us here – our small business feel.

Small Business Certification

IOP can represent and recertify as a small business for all NAICS codes through 4/29/2024.

IOP'S Certificates:

~AWS Partner – Advanced Tier Services

~DCAA Certified Accounting System

~ISO 9001:2015 – Quality Management, 20000-1:2018 – IT Service Management, and 27001:2013 - Information Security Management standards.
